Each month we will read a different book. Don't be afraid to join in the middle of the month! Ask at the front desk for this month's book!

LEGO Club
Ages 5-12. We bring the bricks, you bring the builders!
This month, we are doing LEGO Club twice!
For our second LEGO club, I will have some optional challenges.

Full STEAM Ahead!
STEAM stands for Science, Technology, Engineering, Art, and Science. This month, we are making bracelets using binary code.

Art With Holly
Local artist Holly leads us through a fun art project!

Tabletop roleplaying games.
We have been playing D&D!

**Come to the library beforehand to make a character sheet, or come watch a campaign and see if you'd be interested in joining! Teen Tabletop runs for two hours

Wannabe Writers

We have two different writing groups for teens. Don't worry—there will be prompts if you need them. We'll write for an hour and then for the last 15 minutes, you'll be able to share with the group.
Wannabe Writers runs for an hour and a half.

Young Adult Book Club (14-18)

Interested in joining a book club? Each month, we pick a book to read and then discuss! We try to read a variety of genres to keep things interesting. Talk to Lindsey if you're interested in signing up!

DIY Dragon Eggs

Make your very own dragon egg using pushpins and glue.

Rubber Duck Cosplay

Makeover these bland rubber duckies by painting them a brand new look!
